

We are very pleased to announce the newest APK Sponsored Athlete, Collin Cooper. He started his journey back in 2009. Please check out his story and join us in welcoming him.

Collin started parkour and freerunning in 2009 at UWRF. He currently teaches freerunning classes at Gleason's Gymnastics. He tends to prefer practicing parkour rather than acrobatics, usually with an emphasis on going fast. Collin says "the most important part of my training is having fun, especially with others. If I'm not laughing, smiling and goofing around, then I'm not training right." Being the comedian he is, Collin told us his other hobbies include slaying dragons, ghost hunting, pole dancing, lawn mowing and biography writing.
